OPEN LETTER TO THE STUDENTS OF MOUNT ST. MARY'S COLLEGE

On Saturday, September 30 at approximately 11:00 pm someone abused a trust by opening the locked Biology lab which is the home base for "Boots" the cat--the mascot of the Mount. After the lab was opened, "Boots" was kidnapped and she was last seen being driven away in a white car. I am asking for your help in securing "Boots" safe return to the College.

There are several reasons why this act is abhorrent to me and others. "Boots" is a source of great joy and love for many of us at the Mount. She has touched and enriched the lives of more people than most humans do. She isn't "Sr. Annette's cat"--she is our cat. So many, many people have been hurt beyond words by this act of selfishness, total disregard for anyone else's feelings, and particularly, this breach of all ethical standards. In addition and more importantly, it is unbelievable to me that anyone would take "Boots" or any other loving animal out of their home--that special place where you are loved, fed, nurtured, and feel safe. How would you like to be kidnapped from your home and placed in a strange environment, away from your family and friends?

"Boots" is not a research animal--she is a friend to students, staff, and faculty. She is loved and cared for by many of us at the Mount. This is "Boots" home. Please see that she is returned to us. A reward is being offered for her safe return. Thanks for caring about "Boots" and thanks for your help. Contact either Hallie Bundy or me with regard to the reward.

Patricia Rae Evans, Chair
Department of Physical Therapy

ATTENTION ALL DOHENY TRANSFERS

We are in the process of administering a very important SURVEY, and we would appreciate receiving input from each of you who are intercampus transfers from Doheny. Information from surveys such as this help us to continually evaluate our programs to see how they are meeting the needs of our students and if any part needs adapting or changing. Also, many other colleges are now looking to us for assistance because of our programs that help you, our students, to be successful in college. Last week we had visitors form the College of St. Catherine, St. Mary's campus in St. Paul Minnesota, from Westmont College in Santa Barbara, and from Biola College.

You should already have received your survey through the mail -- commuters at your home address and resident students through intercampus mail. If for any reason you do not receive a survey, you may obtain one at Doheny from Lisa in Building. #10 or at Chalon from Dr. Mabey in the Leadership Center or from Dr. Wanda Teays in H403.

We want to hear from you! Please complete the survey and return it as soon as possible to any of the above offices. Thank you for helping us to make Doheny even better.

PRESS RELEASES...STUDENT DATA SHEETS:

The Press Relations Office needs your help to insure your accomplishments don't go unrecognized. There exists a host of "orphans" without both parents' first and last names and hometown newspaper (small local or neighborhood paper, as opposed to large city wide publications, i.e. The Los Angeles Times and its couterparts). Since we are unable this year to get the necessary information from the general college computer, Student Data Sheets remain the soul source for gathering this information. Anyone yet to complete a Data Sheet, needing to update a previous form, or generally uncertain about it, please take one from the Registrar's Office, and return the completed copy to Sister Anne Marie, Box 51, Chalon Campus. Those students with information sheets already in the news office will be pleased to know that 78 in-and-out-of-state newspapers have received releases on the fall's dean's list honorees. If your parents live outside the Greater L.A. area, our clipping service may miss you. You may want to give us a copy of your name in print when you are published-- and we'll happily post the good news. Please include name and date of the newspaper along with your clipping.

ATTENTION!!!ATTENTION!!!

Everyone is invited to attend Spring Sing '90. The theme is "Music!, Music!, Music!" The show will be on March 23rd and 24th at 8:00pm in the Little Theatre. Come and join the fun as we take a ride through the eras of music!
